FROM YOUR PASTOR'S KEYBOARD:

We are excited about two big events coming in June.

We missed Vacation Bible School last year, but are ready for this year's edition. VBS will be Monday through Wednesday, June 21-23. We will be serving a full supper each night, beginning at 5:30 pm. The teaching and crafts and games will run from 6:30 to 8:00 each night. The great Prospect tradition of Ice Cream on the last day will also be in effect on Wednesday night. Our thanks to our leaders this year: Shannon Knox, Emily Moore, and Amanda Wolfe, as well as the many volunteers who make this event happen.

Also, our Yard Sale will be Friday and Saturday, June 4-5. The sale will open at 8:00 am and end at 2:00 pm each day. Baked goods and other food will also be available. We thank Violet Knox and her team for making this event happen. All proceeds from the sale will go to support two mission organizations that we are glad to partner with: Present Age Ministries and FeedNC.

A number of great things, big and small, are happening regularly at our church. They all matter. Thank you all for the role you are playing in making these good works happen.

Everyone have a blessed June and know that you are loved.

Will

On JUNE 3rd, Exercise is Cancelled.

WE will meet at the church at 11:30am for Lunch at "El Veracruz" (the old catholic church) on Main Street and then we will tour "The Mooresville Museum" afterwards. We have room for 14 people in the church van or you can meet us there. Please sign up. **Fun! Fun!**

VBS will be June 21-23rd from 5:30 to 8:00 pm dinner will be from 5:30 to 6:30 pm and then VBS will be from 6:30 to 8:00 pm. If you would like to volunteer please text Emily Moore 704-816-9920 and / or Amanda Wolfe @ 704-918-0442.

To register your child please email prospectpresvbs@gmail.com their name, age, allergies, parent contact information and shirt size.

The volunteers for VBS will have a quick meeting to discuss details of VBS directly after church on June 13th.

MEN...
GET IT CHECKED!

(Refer to the checklist on this side.)

Men's Health Network provides this maintenance schedule for men as a reminder of your need to take responsibility for your health. Regular checkups and age-appropriate screenings CAN improve your health and reduce premature death and disability. You should consult your healthcare provider to discuss if this screening schedule is appropriate for you. Also ask about the benefits of earlier screenings, especially if you are a member of a high risk group or have a family history of disease.

What Makes a Dad?

God took the strength of a mountain,
The majesty of a tree,
The warmth of a summer sun,
The calm of a quiet sea,
The generous soul of nature,
The comforting arm of night,
The wisdom of the ages,
The power of the eagle's flight,
The joy of a morning in spring,
The faith of a mustard seed,
The patience of eternity,
The depth of a family need,
Then God combined these qualities,
When there was nothing more to add,
He knew His masterpiece was complete,
And so, He called it ... Dad

Stewardship News – Online Giving Available

Prospect now has another option for contributing to the work of our church. We have begun to use the online giving platform, Tithe.ly. In order to use Tithe.ly, you must sign up for a Tithe.ly account. There is no fee for sign up.

Donations can be made securely and will go directly to the church account. No third party is involved.

Online giving can be accessed through the church website, prospectchurchnc.org, by clicking on the Tithe.ly option on the home page. It is also available by installing the Tithe.ly app on your mobile phone.

Church fund options are available. If you have questions, please contact Cheryl in the church office.

Website is up and ready to use the on-line giving!

Session News

Your Session had its regular stated meeting on May 21 at 7pm, moderated by Rev. Will Gipe.

- * Thank you to Adam Lyerly for conducting the 2020 Financial Audit of the church.
- * Building & Grounds will use Race City Painting to paint and fix the exterior of the Session House, the exterior of the Education Building and the Church sign wood trim.
- * Session agreed to use the Tithely program for those wishing to tithe online without using a check or cash. This program will be accessible on the church website @ www.prospectchurchnc.com. Please keep an eye out on the website and the bulletin.
- * Renter Information: JP Malone, who occupies the Manse property, did not meet the April 30th deadline of being in 100% compliance of having the Manse property clean. The renter is also \$5,100.00 in arrears of back rent. A motion was made to accept a plan presented by the Rental Committee for the renter to pay \$2,000.00 a month to get the rent and back rent paid starting in June and running through December 31, 2021. If the renter does not pay the \$2,000.00 by the last day of each month, the eviction process will start along with collection of all back rent and fees.
- * Motion passed 6 to 3.

Our next meeting is scheduled for Thursday, June 17th at 7:00 pm. As your Session we always welcome comments.

Grace and Peace,
Dale Burgess - Clerk of Session

April Financial Report

General Fund:	
Monthly Income through 04-30-21:	\$ 27,818
Monthly Expenses through 04-30-21:	\$ 20,147
Expenses Less than Income for month:	\$ 7,671
Development Fund:	
Ending Balance through 04-30-21:	\$ 50,677

As we enter into the summer months, when many of us are away from church on vacation, please remember that the expenses of the church do not take a vacation. Please remember God’s church in your monthly budget. Thanks!

The Facilities Review Team needs your input.

This team was formed earlier this year to review our church facilities for updating and determine if current use is the best or do, we re-purpose.

For example: should the Parish Nurse relocate to the old DCE office to give more room and privacy.

Please contact any team member with your comments and questions.
